TRULY AUTHENTIC

since 1981

Barbarian has been making rugby jerseys since 1981 and even to this day, many people do not know that we actually knit our own fabric and manufacture the garments right here, in Canada. We employ not only locally, but we also use dozens of suppliers from all over North America, including the use of the world's highest grade cotton grown in the U.S. Delta Region.

Our ability to make short custom production runs grew from our capacity to make traditional - on-field - game cotton jerseys... no other fashion worn rugby shirt on the market today can make that claim. Synonymous with quality and built to game day specifications, Barbarian is one of the few truly authentic brands of rugby apparel.
